Dear Partners in Business,

Chrisams Designs Limited appreciates your choice of working with us; we are requesting to bear with us because URA policies are tough. Not following these policies to the letter calls for penalty.

Below is an ex-cerpt from URA:

“In accordance with the Tax Procedure Code Act, 2014, as Amended, Sec 73 A requires all VAT registered taxpayers to issues e-invoices / receipts and the VAT Act, Cap 349, re-quires any input tax credit or refund claim to be granted on the basis of an authentic e-invoice/ receipt.

In implementing the legal requirement, URA has made changes to the online VAT return filing process...”

Regards,
Uganda Revenue Authority.

As Chrisams Designs Limited we now require full payment on an invoice/ receipt because as soon as we issue Invoices through Electronic Fiscal Receipting and Invoicing System (EFRIS) we are fully charged VAT for the same.

Thank you for working with Chrisams Designs Limited.

Yours sincerely
